2024 Production/Recital Details

Let the excitement begin! Plans for The Studio's 2024 Production/Recital are in the making!! This year's Production Recital will be held the weekend of May 17th-19th. Shows will take place at the Jane Tasch Theatre in Pinckney, Michigan. Students who take one class will participate in just one of the shows on one day. Company Dancers, actors/acresses will perform in all shows. Mini competitive teams will perform in two shows. A detailed breakdown of show times, along with which show(s) your child will perform in, will be distributed in the future. If your child participates in more than one class, or you have two dancers in different classes, please stop by the front desk to place a request to have them in the same show. We can not guarantee this, but will do our best to accommodate you. Please note our **FIRST** priority is placing siblings in the same show.

Recreational dancers will begin working on their Production/Recital routine(s) in February. We greatly encourage videotaping your child's routine as they learn it. Our staff will often bring parents into class to videotape the last 5 minutes of class. Studying the footage is a wonderful way for a student to practice at home.

Costumes will arrive in March and April. Please let us know you will be participating in the Production/Recital by marking so on your tuition form and including your \$95 costume payment. Costume payments are due by January 25th with tuition. Those joining the recital after 1/25 will pay an additional \$20 late shipping fee with the knowledge their costume may arrive at a different time than the rest of the group.

Individual and group photos will be taken in March and April at The Studio. A schedule of times will be released in the spring. Should you have questions please direct them to your instructor. We are **VERY** excited to share in this special opportunity with your dancer!

Studio Procedures for... SNOW DAYS

The Studio will follow South Lyon Schools closures for snow days. Cancellations will be announced on our website at www.thestudiosouthlyon.com, on our Instagram, and on Facebook (we hope we have you as our friend). If class is canceled, students may do a make-up lesson in another class of their choice. For instance, if a student's hip hop class is canceled, the dancer may choose another hip-hop class to visit, or may choose a different style of dance class, at any day and time, to do the lesson in. This makes the make-up of a class convenient for everyone and allows the student to explore new territories.

HAPPY SNOWMAN BUILDING!!!

Future Steps In Taking Your Dancer's Journey to the Next Level

Your dancer may be showing signs that he or she is ready to focus on a more intense syllabus in their dance education. This may include continuously dancing around the house, or making up routines on their own. Maybe it's that they are asking to take more classes, or can't take their eyes off of any dance performance that pops up on TV or on their iPad. If this is the case, you may be interested in more serious programs with The Studio such as "Mini Competitive Team" or "Company."

MINI COMPETITIVE TEAM is a program structured for dancers 5-12 years old, that involves 2-3 classes per week. These classes may be done in one evening or two, your choice, and include instruction in Jazz, Hip Hop, Lyrical, Ballet and Technique. Dancers in this program have the opportunity to compete in 2 local competitions throughout the season and will perform numerous times in our Holiday Shows and Recitals. The curriculum for Mini Teams is a step up from our recreational program, which allows dancers to advance at a more rapid pace. Students of this program commit to a full season of lessons from September to May. This year's current teams include Sweet Petites, Revolution Crew and The Dolls, all of which can be viewed in our upcoming May Recital or by visiting our viewing windows on a Tuesday or Thursday evening.

COMPANY is The Studio's highest level of training and is composed of our most dedicated dancers. Members headline all events and shows, perform in the Pumpkinfest Parade, attend 3 local competitions, along with one national event every other year, and at least one dance convention. Dancers take a minimum of 6 classes per week, which typically fit into two days of instruction. This program is available to dancers 7-18 years who are looking for serious professional training. Commitment begins in August and runs through May being 8 months of team training. Members of Company study Jazz, Contemporary, Hip Hop, Ballet, and Technique, along with other classes. They also have the opportunity to hold special privileges such as solo, duet or trio. To view these students in action, check out our May Recital/Production or visit any viewing window Monday through Thursday where you see dancers dressed in black uniform.

HOW DO WE GET INVOLVED?? In the Spring The Studio will release our Summer Newsletter, which announces the date of a special meeting where parents will be given details of how these programs work including price, dates of events and season commitments. If parents decide they would like their student involved, they register for auditions held in August. We offer many optional camps, classes and workshops during the summer to prepare students for auditions, however, if your dancer has been involved in classes with The Studio this season, they have already received great preparation for the audition process. Other ways to prepare your dancer would be to register them for two classes in Session 3, or have them attend our Mini Team "Technique and Training" on a Tuesday or Thursday night, which are open to all Studio dancers. Private lessons are also a great opportunity and are available to all Studio dancers. To set up a private lesson, reach out to your instructor or the front desk. Questions may be answered by your instructor or by messaging 248.767.9530. We look forward to always bringing the very BEST in dance education to your student!!
