

Production/Recital 2026 INFORMATIONAL PACKET

Let Us Answer Your Questions...

"A STUDIO ADVENTURE
OVER THE RAINBOW"

How long will the Production/Recital last?

The show will last approximately two and a half to three hours.

How can my dancer be part of the “finale celebrations” on stage at the end of the show?

All dancers have the opportunity to be on stage for the finale celebrations if they stay until the end of Scene 4. To participate, your child will report to the recreational check-in parent after the Scene 4 dance entitled, “Never Grow Up”, where they will be guided backstage for our big finale.

Are In Studio and Dress Rehearsals mandatory?

YES! REHEARSALS ARE MANDATORY. Rehearsals are created in order for performers to become accustomed to the different props, scenery, lights, actors, actresses and dancers on stage. Not understanding how a scene works will cause confusion for the absent performer, which in turn could confuse others. If you have a conflict with a rehearsal text Tara at 248.767.9530 as soon as possible.

Should I pack a snack/dinner for my child for rehearsals?

Actresses/actors and competitive dancers who will be in rehearsals for two or more hours, please bring dinner or a snack, homework or a quiet activity to the rehearsals. If your child will be in rehearsal for less than two hours there is no need for snacks. Please remember there will be NO eating or drinking inside of the theater at Dress Rehearsal or during the Production/Recital. Please eat in the designated areas which include the front lobby and cafeteria. Thank you.

What should my performer bring with them to rehearsals?

For the In Studio Rehearsal, performers should bring their dance shoes and a smile! Please dress in regular dance attire for In Studio Rehearsal. For Dress Rehearsal, performers need to be in full costume, makeup and hair. Please remember makeup is required as it's part of a dancer's costume. Please bring dance shoes along.

What should my performer bring to the show?

Performers should bring their dance shoes and arrive in full costume, makeup and hair. Only performers 7 years and older may bring makeup backstage. Performers 2-6 yrs may bring a quiet backstage activity such as coloring books (please no markers), story books or an object of security. Be sure to label all belongings. Please remember no eating or drinking in costumes, therefore, no food backstage, please.

My child is an actor/competitive dancer in both shows on Sunday. Will we be able to leave between shows?

Yes, however, most of these students will take part in our potluck in the cafeteria. Here, performers have the opportunity to relax, eat and socialize. In the past, parents of Company dancers/actors have organized dishes to share via a Sign Up Genius provided by The Studio Boosters. Performers may leave between shows, but are expected back, dressed and ready to go, 20 minutes prior to show time.

May we come backstage with our performer?

If you would like to go backstage, please sign up to be a backstage parent at the front desk. Only actor/actress/competitive parents and backstage parents will be permitted in the backstage area. Upon arrival to rehearsals and show, parties can check their performer in at the proper station and our backstage crew will take it from there. We promise, your performer will be well accommodated. **All performers may be picked up at the same area from where they were checked in, after the entire half of the show they performed in has finished. PLEASE NOTE: Dancers in the second half of the show cannot be checked out until the show finishes.**

Can I videotape or photograph my child during the Production/Recital?

You have already purchased a digital video of the Production/Recital which will be sent to you approximately 6 weeks after the recital. We ask that you do not video record on your own during the recital, please. Thank you for your cooperation!

Are you asking for “Stage Moms” or backstage help this year?

Definitely!! If you'd like to be a backstage parent please visit the front desk to sign up.

My child is in the second half of the show, do they need a ticket to watch the first half?

Performers may watch the half of the show they aren't performing in by purchasing a “Performer Ticket” at the special price of \$7. You are not required to watch the half of the show your child is not in, however, we greatly encourage dancers seeing part of the show as it's both educational and inspiring for them to see the other dancers and performances.

Experiencing the stage, props, actors/actresses and dancers, in rehearsal, is essential to a performer's success! "In Studio Rehearsal" is one of two all dancer/actor/actresses/rehearsals. All students must attend this rehearsal, on time, in order to participate in the Production/Recital. **The event will be held at The Studio.** When you arrive please check your performer in at Studio B. Backstage parents, teachers and their assistants will be awaiting dancers and will escort them into the rehearsal area. This is a closed rehearsal. Please wear regular dance attire (no costumes) and bring your dance shoes. **Get ready for fun!!**

For dancers ages 2-6, we recommend a parent wait at The Studio until your student finishes. Your dancer will be released as soon as possible which may be before the end of their scheduled time frame. Performers 7 yrs and up may be dropped off after sign in, or parents may wait if they wish. Food or drink may only be brought in if your performer will be in rehearsal for more than two hours (this would be actors/actress or competitive dancers). If you are interested in being a backstage mom please visit The Studio front desk to sign up to do so.

PLEASE CHECK THE BLUE BOXES FOR YOUR "IN STUDIO REHEARSAL" DATE AND TIME FRAME. IF YOU DO NOT KNOW WHAT SCENE YOUR CHILD IS IN, PLEASE REFER TO THE SHOW LINE-UP IN THIS NEWSLETTER.

Reminder: There are

Dress Rehearsal

HOWELL HIGH SCHOOL

1200 W Grand River Ave, Howell, MI 48843

Dress Rehearsal is a full out run of the real show! You will find a schedule of Dress Rehearsal times below. Please look it over carefully. If you are unsure as to which scene or show your performer is in, please refer to the Show Line-Up listed inside of this newsletter. Dress Rehearsal is held at the Rod Bushey Performing Arts Center. **Attendance at Dress Rehearsal is required in order to be in the show.** For dress rehearsal we ask that parents arrive with their performers dressed, in full makeup, hair and costume at least 15 minutes prior to your rehearsal time. Your promptness is essential to the success of our rehearsal.

Upon arrival, please park in the front or back parking lots and enter through either entrance. There will be a station where your performer will need to be checked in. Backstage mothers and their assistants will be awaiting performers and will escort them to the backstage area. Only authorized personnel will be permitted backstage. If you would like to be a backstage parent, please sign up at The Studio front desk.

Once your performer is checked in, you may enter the auditorium. In order for the performers to get the most out of their rehearsal time, we ask that the audience keep the noise level to a minimum. Please do not communicate with anyone on stage. Once your child has completed their rehearsal, backstage parents and assistants will escort your child back to the same check out/in station where you will pick them up.

We will make every effort to run Dress Rehearsal as smoothly as possible. Once in a while, the unexpected does occur, causing us to run a bit behind. We'd like to thank everyone ahead of time for their cooperation and understanding should this be the case. **STUDIO PARENTS ROCK!!!** Thank you everyone! We look forward to putting on an AMAZING show!!
